***QDVP p.q.s.c MAWAQIF QATAR signs contract for one of the world's largest car parks and becomes n° 1 in Qatar***

On February 22<sup>nd</sup>, 2017, representatives of Mshereib Properties and QDVP signed a contract to operate one of the largest underground car parks in the world.

With more than 10,000 parking spaces spread over six basements, this huge facility will be accessible through 22 access ramps. It will serve more than 100 buildings that have been built or are under construction on 31 hectares of land in the heart of Doha. Mshereib Downtown Doha ("MDD") will be the world's first sustainable downtown regeneration project and its aim is to breathe new life into the old commercial district.

In compliance with the MMD's objectives, MAWAQIF QATAR has proposed an innovative and high-end car park approach based on cutting-edge technologies that include digital platforms and centralization systems. "We will take a user-centric approach to the new technologies. Our goal is to deliver irreproachable quality of service, propose a unique parking experience and provide complete satisfaction to both our customers and our client", says Gilles Guillochon, Chief Executive Officer of MAWAQIF QATAR.

The contract is for a term of 5 years from the opening of the first part of the facilities, scheduled for mid-2017.

***MAWAQIF QATAR: exclusive and prestigious references in Qatar***

MAWAQIF QATAR currently operates major car parks in Doha and Lusail:
