**Press release**

**Announcement of two potential new issuances on the debt capital markets**

Indigo Group announces its intention to raise new funding with a combination of both a bond issue for an amount of up to 100 million euros in the form of a tap on the 1.625% 700 million euros initial tranche maturing on 19 April 2028 and a new issue of up to 150 million euros under the format of a German NSV private placement with a 20y maturity.

The proceeds would allow the Group to continue the development of its long-term infrastructure portfolio, diversify its funding and extend its debt maturity profile with long-dated placements while benefiting from attractive market conditions.

Indigo Group is rated BBB/Stable by Standard & Poor's.
