**Exclusive negotiations regarding a potential acquisition of Empark**

VINCI Park Group has entered into exclusive negotiations with all Empark shareholders regarding the potential acquisition of the Iberian car park operator.

Further discussions are still to be held before a final agreement is reached. In line with applicable regulation, VINCI Park would inform the market of any material developments in this respect.

This transaction, should it materialize, would be realized in compliance with Infra Foch financial policy, in particular regarding the commitment to a strong investment grade credit rating.
