***This notice must be read in conjunction with the tender offer memorandum dated 15 April 2026 (the “Tender Offer Memorandum”) which has been prepared by the Company in relation to the Tender Offer and will be made available, upon request to the Information Agent. Capitalised terms used in this notice and not otherwise defined herein shall have the meanings ascribed to them in the Tender Offer Memorandum.***

***This notice and the Tender Offer Memorandum contain important information which should be read carefully before any decision is made to participate in the Tender Offer. If you are in any doubt as to the action you should take, it is recommended that you seek your own financial advice immediately from your stockbroker, bank manager, solicitor, tax advisor, accountant or other appropriately authorised independent financial adviser. Any individual or company whose Existing Bonds are held on its behalf by a broker, dealer, bank, custodian, trust company or other nominee must contact such entity if they wish to participate in the Tender Offer. The distribution of this notice in certain jurisdictions (in particular the United States, the United Kingdom, the European Economic Area, Belgium and the Republic of Italy) is restricted by law (see “Offer Restrictions” below). Persons into whose possession this document comes are required to inform themselves about, and to observe, any such restrictions.***

## TERMS OF THE TENDER OFFER

### Introduction to, and rationale for, the Tender Offer

On the terms and subject to the conditions contained in the Tender Offer Memorandum, the Company invites Qualifying Holders (subject to the offer restrictions contained herein) to tender their Existing Bonds for purchase by the Company in a cash amount (the “**Tender Offer**”) equal to the relevant Tender Consideration including any Accrued Interest Amount, upon the terms and subject to the conditions of the Tender Offer as further described below, up to the Maximum Acceptance Amount and, with respect to the 2030 Bonds only, up to the 2030 Bonds Maximum Acceptance Amount.

The Company will announce the Maximum Acceptance Amount and the 2030 Bonds Maximum Acceptance Amount as soon as reasonably practicable following the pricing of the New Bonds (as defined further below). The Company reserves the right to increase or decrease the Maximum Acceptance Amount and/or the 2030 Bonds Maximum Acceptance Amount in its sole and absolute discretion, subject to applicable laws. In any event, the Company will announce the Final Acceptance Amount and the Series Acceptance Amounts in the announcement of the final results of the Tender Offer. Such Final Acceptance Amount may be higher, equal or lower than the Maximum Acceptance Amount and likewise the 2030 Bonds Series Acceptance Amount may be higher, equal or lower than the 2030 Bonds Maximum Acceptance Amount.

The Company may decide not to accept for tender any Existing Bonds of one or both Series and may decide to apply a Pro-ration Factor to Existing Bonds of one or both Series validly tendered by Qualifying Holders at its sole and absolute discretion (see “Pro-ration” below).

Existing Bonds of each Series which have not been successfully tendered and accepted for purchase pursuant to the Tender Offer will remain outstanding after the Settlement Date.

It is intended that Existing Bonds of each Series purchased by the Company pursuant to the Tender Offer will be immediately cancelled by the Company.

In the event the nominal amount of Existing Bonds tendered to the Company for purchase exceeds the Final Acceptance Amount, then tenders for purchase of the Existing Bonds of one or both Series received prior to the Expiration Deadline will be accepted on a pro-rata basis (see “Pro-ration” below).

Subject to the right of the Company to extend and/or amend the Tender Offer, or to terminate or withdraw the Tender Offer, as described herein, the Tender Offer is limited to a Maximum Acceptance Amount expected to be equal to the principal amount of the new bonds *minus* €200,000,000, and with respect to the 2030 Bonds only, up to the 2030 Bonds Maximum Acceptance Amount.

The completion of the Tender Offer will depend on the satisfaction or waiver of the Financing Condition (as defined below) and the acceptance of any Existing Bonds validly tendered for purchase is at the absolute discretion of the Company. The Company reserves the absolute right not to accept any Existing Bonds validly tendered pursuant to the Tender Offer.

The Company may decide not to purchase any of the Existing Bonds of each Series validly tendered. The Company reserves the right to reject or accept any Existing Bonds of each Series offered pursuant to the Tender Offer Memorandum in its sole and absolute discretion. Until the Company announces the Final Acceptance Amount and the Series Acceptance Amounts, no assurance can be given that any Existing Bonds validly tendered for purchase pursuant to the Tender Offer will be accepted (being subject to the satisfaction or waiver of the Financing Condition). The completion of the Tender Offer will depend on the satisfaction or waiver of the Financing Condition and the acceptance of any Existing Bonds validly tendered for purchase is at the absolute discretion of the Company.

The Company announced its intention to issue, subject to market conditions, euro denominated fixed rate bonds (the “**New Bonds**”) to be offered to qualified investors (including Qualifying Holders who may receive priority on allocation, as described below).

The purpose of the Tender Offer is to proactively manage the Company's debt redemptions.

The Company will announce, on 23 April 2026, a non-binding indication of (i) the aggregate principal amount of Existing Bonds validly tendered and accepted; (ii) the Pro-ration Factor for each Series (if any) and (iii) the Series Acceptance Amounts.

The Company will announce, as soon as reasonably practicable after the Pricing Time, (a) whether or not the Company will accept for purchase valid offers of Existing Bonds; and (b) if so accepted (such acceptance remaining, however, subject to the satisfaction or waiver of the Financing Condition), (i) the Final Acceptance Amount; (ii) the Series Acceptance Amounts; (iii) the Pro-ration Factor for each Series (if applicable); (iv) for the 2028 Bonds, the 2028 Bonds Interpolated Mid-Swap Rate, the 2028 Bonds Tender Yield and the 2028 Bonds Tender Offer Price; (v) for the 2030 Bonds, the 2030 Bonds Interpolated Mid-Swap Rate, the 2030 Bonds Tender Yield and the 2030 Bonds Tender Offer Price; and (vi) the aggregate principal amount of Existing Bonds of each Series that will remain outstanding after the Settlement Date. The Company is under no obligation to accept any offers or to complete the Tender Offer until the announcement of its acceptance. If the Company announces the acceptance of any tender of Existing Bonds for purchase, the Company will accept all valid offers of Existing Bonds received up to the Final Acceptance Amount.

Notwithstanding any other provisions of the Tender Offer, the Tender Offer is conditional upon there not having been threatened, instituted or pending, any action or proceeding before any court or governmental, regulatory or administrative body that (i) makes or seeks to make illegal the payment for, or acceptance of payment for, any of the Existing Bonds pursuant to the Tender Offer; (ii) would or might result in a delay in, or restrict, the ability of the Company to accept for payment or to pay for any of the Existing Bonds; or (iii) imposes or seeks to impose limitations on the ability of the Company to purchase, exchange or cancel the Existing Bonds.

The submission of a valid Electronic Instruction Notice or Acceptance Notice will be irrevocable (except in the limited circumstances described in “*Amendment, Termination, Withdrawal or Extension*” of the Tender Offer Memorandum).

None of the Company, the Dealer Managers, the Tender Agent or the Information Agent makes any recommendation as to whether or not Qualifying Holders should submit Existing Bonds for purchase.

### **The Tender Offer**

The amount payable by the Company for the Existing Bonds validly tendered and accepted by it for purchase pursuant to the Tender Offer will be an amount equal to the aggregate of the relevant Tender Consideration including any Accrued Interest Amount, with respect of each Series of Existing Bonds.

The Settlement Date is expected to take place on the latest of (i) 27 April 2026 and (ii) one Business Day following the settlement of the New Bonds, on which date the Company will pay the relevant Tender Consideration including any Accrued Interest Amount with respect of each Series of Existing Bonds, to the Qualifying Holders who have validly tendered for purchase such Existing Bonds under the Tender Offer and whose tenders have been accepted.

The Company may reject tenders of Existing Bonds for purchase that it considers, in its sole discretion, not to have been validly made and the Company is under no obligation to any relevant Existing Bondholder to provide any reason or justification for refusing to accept any such tender of Existing Bonds for purchase.

## **Payment of the relevant Tender Consideration including any Accrued Interest Amount**

Any payment to a Qualifying Holder of the relevant Tender Consideration including the Accrued Interest Amount pursuant, with respect of each Series of Existing Bonds, to the Tender Offer, will only be made by the relevant Clearing System for the Qualifying Holders through Euroclear, Clearstream and Euroclear France. The payment of the relevant Tender Consideration including any Accrued Interest Amount to such Clearing System and by such Clearing System to such Direct Participant will satisfy the respective obligations of the Company and such Clearing System in respect of the purchase of such Existing Bonds. Under no circumstances will any additional interest or other amount be payable by the Company to a Qualifying Holder due to any delay for whatever reason in the transmission of funds from the relevant Clearing System with respect to such Existing Bonds of that Qualifying Holder.

### **Accrued Interest**

On the Settlement Date, the Company will pay or procure that there is paid on its behalf to all Qualifying Holders who have validly tendered their Existing Bonds for purchase pursuant to the Tender Offer and which are accepted for purchase by the Company, with respect of each Series of Existing Bonds, an amount in cash equal to interest accrued and unpaid on the Existing Bonds from (and including) the immediately preceding interest payment date in respect of the Existing Bonds up to (but excluding) the Settlement Date and calculated in accordance with the terms and conditions of the Existing Bonds.

Provided that the relevant funds have been deposited with the relevant Clearing System on or before the Settlement Date, no additional interest or other amount will be payable for the period of any delay in receipt by any Qualifying Holder of the Accrued Interest Amount.

### **Tender Offer Prices**

At or around 12.00 p.m., Paris time (the “**Pricing Time**”) on 23 April 2026 (the “**Pricing Date**”), the prices (the “**Tender Offer Prices**”) (expressed as a percentage) payable in respect of each €100,000 in principal amount of (i) the 2028 Bonds (such price reflecting the 2028 Bonds Tender Yield to the Maturity Date of the 2028 Bonds (being 19 April 2028)) and (ii) the 2030 Bonds (such price reflecting the 2030 Bonds Tender Yield to the 2030 Bonds Residual Maturity Call Option Date (being 18 January 2030)) validly submitted for tender and accepted for purchase by the Company pursuant to the Tender Offer will be calculated by reference to a tender spread of 25 basis points in relation to the 2028 Bonds and 55 basis points in relation to the 2030 Bonds, in each case over the relevant Interpolated Mid-Swap Rate for each Series. Thus, each Tender Offer Price will be equal to (a) the value of all remaining payments of principal and interest on the relevant Series up to and including (i) in respect of the 2028 Bonds, the maturity date of the 2028 Bonds (being 19 April 2028), assuming the principal amount were to be paid on such maturity date, and (ii) in respect of the 2030 Bonds, the 2030 Bonds Residual Maturity Call Option Date (being 18 January 2030), assuming the principal amount were to be paid on such date, in each case discounted to the Settlement Date at a discount rate equal to the relevant Tender Yield, minus (b) Accrued Interest.

The Tender Offer Prices will be determined in accordance with market convention. The determination of the Tender Offer Prices will, in the absence of manifest error, be final and binding on all parties.

### **Pro-ration**

All valid tenders for purchase may, in the sole discretion of the Company, be accepted, subject to pro-ration if the aggregate principal amount of Existing Bonds validly tendered pursuant to the terms of the Tender Offer exceeds the Final Acceptance Amount.

A different Pro-ration Factor, if any, may be applied per Series in the sole discretion of the Company and the Company may choose to accept more or less (or none) of any Series relative to the other.

The relevant Pro-ration Factor (if applicable) for each Series of Existing Bonds accepted for purchase shall be calculated by the Tender Agent in consultation with the Company and the Dealer Managers as soon as reasonably practicable after the Expiration Deadline as, in respect of each Series, the aggregate principal amount of such Existing Bonds validly tendered and accepted for purchase by the Company divided by the aggregate principal amount of such Existing Bonds validly tendered, rounded to the nearest 0.000001 (with 0.0000005 being rounded upwards). Such pro-ration will be subject to adjustment, following the rounding of Offers to Participate, such that the aggregate principal amount of such Existing Bonds which the Company would purchase after applying such Pro-ration Factor would be equal to the Final Acceptance Amount. Each offer to tender for purchase of Existing Bonds reduced in this manner will be rounded down or rounded up at the Company's discretion to the nearest relevant specified denomination of Existing Bonds. The specified denomination of the Existing Bonds is €100,000. The terms of any such pro-ration are more fully described under the paragraph "Pro-ration" of the Tender Offer Memorandum.

### **Priority allocation in the New Bonds**

A Qualifying Holder that has indicated they have validly tendered, or given their firm intention to tender, its Existing Bonds for purchase and wishes to subscribe for New Bonds in addition to tendering its Existing Bonds for purchase pursuant to the Tender Offer may, after having made a separate application for the purchase of such New Bonds to one of the Dealer Managers (in its capacity as joint bookrunner in connection with the issue of the New Bonds) in accordance with the standard new issue procedures of such Dealer Managers, receive priority (the "**New Bonds Priority**") in the allocation of the New Bonds, at the sole and absolute discretion of the Company.

The denomination of the New Bonds will be €100,000. Accordingly, in order for any priority in the allocation of New Bonds to be effective, Qualifying Holders will need to have a minimum of €100,000 in aggregate principal amount of Existing Bonds accepted for purchase by the Company pursuant to the Tender Offer.

A key factor in the allocation of the New Bonds will be whether Qualifying Holders have indicated they have validly tendered or given their firm intention to tender their Existing Bonds to the Company or any of the Dealer Managers. When considering allocation of the New Bonds, the Company intends to give preference to those Qualifying Holders who, prior to such allocation, have indicated they have validly tendered or given their firm intention to the Company or any of the Dealer Managers to tender the Existing Bonds and subscribe for New Bonds. Such priority will be given for an aggregate principal amount of New Bonds up to the principal amount of Existing Bonds tendered or firmly indicated to be tendered. However, the Company is not obliged to allocate the New Bonds to an Existing Bondholder who has indicated they have validly tendered or given their firm intention to tender its Existing Bonds pursuant to the Tender Offer. Any allocation of the New Bonds, while being considered by the Company as set out above, will be made in accordance with customary new issue allocation processes and procedures.

To request New Bonds Priority, a Qualifying Holder should contact a Dealer Manager (in its capacity as joint bookrunner in connection with the issue of the New Bonds) using the contact details on the last page of this notice.

The pricing of the New Bonds is expected to take place prior to the Expiration Time and, as such, Qualifying Holders are advised to contact a Dealer Manager (in its capacity as joint bookrunner in connection with the issue of the New Bonds) as soon as possible prior to the Expiration Time and prior to the pricing of the New Bonds in order to request New Bonds Priority.

The Company is not under any obligation to accept for purchase any Existing Bonds of each Series tendered pursuant to the Tender Offer. The acceptance for purchase by the Company of Existing Bonds

tendered pursuant to the Tender Offer is at the sole and absolute discretion of the Company and Offer to Participate may be rejected by the Company for any reason.

Neither this notice nor the Tender Offer Memorandum is an offer to buy or sell, or a solicitation of an offer to sell or buy, any New Bonds or other securities in the United States or any other jurisdiction. Securities may not be offered or sold in the United States absent registration under, or an exemption from, the registration requirements of the Securities Act. The New Bonds have not been, and will not be, registered under the Securities Act or the securities laws of any state or other jurisdiction of the United States, and may not be offered, sold or delivered, directly or indirectly, within the United States or to, or for the account or benefit of, U.S. persons (as defined in Regulation S under the Securities Act) except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state securities laws.

Solely for the purposes of each manufacturers' product approval process, the target market assessment in respect of the New Bonds, has led to the conclusion that: (i) the target market for the New Bonds is eligible counterparties and professional clients only, each as defined in Directive 2014/65/EU on markets in financial instruments, as amended ("**MiFID II**") and (ii) all channels for distribution of the New Bonds to eligible counterparties and professional clients are appropriate.

Solely for the purposes of each manufacturers' product approval process, the target market assessment in respect of the New Bonds has led to the conclusion that: (i) the target market for the New Bonds is only eligible counterparties, as defined in the FCA Handbook Conduct of Business Sourcebook ("**COBS**"), and professional clients, as defined in Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 ("**UK MiFIR**") and (ii) all channels for distribution of the New Bonds to eligible counterparties and professional clients are appropriate.

The New Bonds are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area. For these purposes, a retail investor means a person who is one (or both) of the following: (i) a retail client as defined in point (11) of Article 4(1) of MiFID II or (ii) a customer within the meaning of Directive (EU) 2016/97 on insurance distribution, as amended, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II. Consequently, no key information document required by Regulation (EU) No. 1286/2014, as amended (the "**PRIIPs Regulation**") for offering or selling the New Bonds or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the New Bonds or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

The New Bonds are not intended to be offered, sold, distributed or otherwise made available to and should not be offered, sold, distributed or otherwise made available to any retail investor in the United Kingdom (the "**UK**"). For these purposes, a retail investor means a person who is either one (or both) of the following: (i) not a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018 (the "**EUWA**"); or (ii) not a qualified investor as defined in paragraph 15 of Schedule 1 to the Public Offers and Admissions to Trading Regulations 2024. Consequently no key information document required by the PRIIPs Regulation as it forms part of UK domestic law by virtue of the EUWA (the "**UK PRIIPs Regulation**") or disclosure document required by the FCA Product Disclosure Sourcebook (**DISC**) for offering, selling or distributing the New Bonds or otherwise making them available to retail investors in the UK has been and therefore offering, selling or distributing the New Bonds or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation or DISC and the Consumer Composite Investments (Designated Activities) Regulations 2024, as applicable.

The application to receive priority in the allocation of New Bonds does not constitute an offer or acceptance by any Qualifying Holder to purchase New Bonds, and any investment decision to purchase any New Bonds should be made solely on the basis of the information contained in the Base Prospectus, which may be obtained from the relevant Dealer Managers (in their capacity as joint bookrunners in connection with the issue of the New Bonds), and no reliance is to be placed on any representations other than those contained in such Base Prospectus.

For the avoidance of doubt, the ability to purchase New Bonds is subject to all applicable securities laws and regulations in force in any relevant jurisdiction (including the jurisdiction of the relevant Qualifying Holder and the selling restrictions set out in the Base Prospectus relating to the New Bonds). It is the sole responsibility of each Qualifying Holder to satisfy itself that it is eligible to purchase New Bonds before requesting New Bonds Priority.

### **Financing Condition**

The Company is under no obligation to accept any valid tenders of any relevant Series of Existing Bonds pursuant to the Tender Offer.

The acceptance for purchase by the Company of Existing Bonds of any Series validly tendered pursuant to the Tender Offer is at the sole and absolute discretion of the Company and is subject, without limitation, to, and conditional upon, the settlement of the New Bonds at least one (1) business day before the Settlement Date (the “**Financing Condition**”).

The Company is entitled to amend or waive the Financing Condition at its sole and absolute discretion.

### **Settlement**

Subject to satisfaction or waiver of the Financing Condition, the Settlement Date for the Tender Offer is expected to take place on the latest of (i) 27 April 2026 and (ii) one Business Day following the settlement of the New Bonds.

All sales pursuant to the Tender Offer will settle through the normal procedures of the relevant Clearing System.

On the Settlement Date, the Company shall pay or procure the payment of, to each Qualifying Holder which has validly submitted an Offer to Participate by the Expiration Time, an amount in cash equal to the relevant Tender Consideration including any Accrued Interest Amount, in respect of each Existing Bonds so tendered and delivered by such Qualifying Holder and accepted for purchase by the Company.

Payment of the relevant Tender Consideration (including any Accrued Interest Amount) by or on behalf of the Company shall fully and finally discharge its obligations to the relevant Qualifying Holders in respect of the Existing Bonds of each Series validly tendered and delivered and accepted for purchase by the Company pursuant to the Tender Offer. Under no circumstances will any additional interest be payable by the Company to a Qualifying Holder due to any delay in the transmission of funds from the relevant Clearing System or any other intermediary with respect to the Existing Bonds of that Qualifying Holder.

In respect of each Series of Existing Bonds, the amount payable by the Company for the Existing Bonds of each Series validly tendered and accepted by it for purchase to the Tender Offer (rounded to the nearest €0.01, with €0.005 being rounded upwards) will be equal to the relevant Tender Consideration (being an amount in cash equal to (i) the 2028 Bonds Tender Offer Price or the 2030 Bonds Tender Offer Price, respectively, multiplied by the aggregate principal amount of the relevant Series of Existing Bonds validly tendered by each relevant Qualifying Holder and accepted for purchase by the Company

plus (ii) the Accrued Interest Amount for each Series of Existing Bonds, rounded to the nearest €0.01 (with €0.005 being rounded upwards).

### **Amendment, Termination, Withdrawal or Extension**

Subject as provided herein, the Company may, at any time and in its sole discretion, (i) amend or extend the Tender Offer; (ii) terminate or withdraw the Tender Offer at any time prior to the announcement by the Company of whether the Company intends to accept any Existing Bonds of each Series for purchase or (iii) waive the Financing Condition.

If the Company terminates the Tender Offer, any Existing Bonds of each Series offered for sale will not be purchased.

Any increase or decrease in the Maximum Acceptance Amount, the 2030 Bonds Maximum Acceptance Amount or waiver of the Financing Condition, any extension or amendment of the terms and conditions of the Tender Offer, or withdrawal or termination of the Tender Offer as described above will be followed as promptly as practicable by appropriate announcements on the relevant Notifying News Service(s), through the Clearing Systems and by way of announcement on the website of Euronext Paris, and will be subject to the provisions set out under the heading “*Amendment, Termination, Withdrawal or Extension*” in the Tender Offer Memorandum.

Each date and time is indicative only and is subject to the right of the Company to extend, amend, terminate and/or withdraw the Tender Offer, subject to applicable law and as set out in this notice and in the Tender Offer Memorandum.

None of the Company, the Information Agent, the Tender Agent or the Dealer Managers warrants that any or all of the events referred to below will take place as and/or when described including, in particular, in the case of any publications or announcements made through or via any Clearing System, Notifying News Service (as defined below) or the Euronext Paris website nor shall they be liable for any delay or failure of any Clearing System to deliver any notices to Direct Participants or Existing Bondholders or of any Notifying News Service to publish a notice.

### **General**

*This notice and the Tender Offer Memorandum do not constitute an offer to buy or the solicitation of an offer to sell Existing Bonds, and tenders of Existing Bonds for purchase pursuant to the Tender Offer will not be accepted from Qualifying Holders in any circumstances in which such offer or solicitation is unlawful.*

*In addition to the representations referred to above in respect of the United States, each Qualifying Holder of Existing Bonds participating in the Tender Offer will also be deemed to give certain representations in respect of the other jurisdictions referred to above and generally as set out in “Terms of the Tender Offer” in the Tender Offer Memorandum. Any tender of Existing Bonds for purchase pursuant to the Tender Offer from a Qualifying Holder that is unable to make these representations will not be accepted. Each of the Company, the Dealer Managers, the Information Agent and the Tender Agent reserves the right, in its absolute discretion, to investigate, in relation to any tender of Existing Bonds for purchase pursuant to the Tender Offer, whether any such representation given by a Qualifying Holder is correct and, if such investigation is undertaken and as a result the Company or the Tender Agent determines (for any reason) that such representation is not correct, such tender shall not be accepted.*

*The Company, the Dealer Managers, the Information Agent and the Tender Agent (or their respective directors, employees or affiliates) make no representations or recommendations whatsoever regarding this notice, the Tender Offer Memorandum or the Tender Offer. *None of the Company, the Dealer Managers, the Information Agent or the Tender Agent makes any recommendation as to whether or not Qualifying Holders should participate in the Tender Offer.*

***Prior to making a decision as to whether to participate in the Tender Offer, Qualifying Holders should consider carefully all the information set forth in this notice and the Tender Offer Memorandum, and in particular, the following:***

*Each Series of the Existing Bonds which have not been submitted for tender or have not been successfully submitted for tender and are not purchased pursuant to the Tender Offer will remain outstanding after the Settlement Date. Depending on the number of Existing Bonds tendered and sold to the Company on the basis and terms of the Tender Offer, the trading market for each Series of Existing Bonds which remain outstanding following completion of the Tender Offer may be significantly more limited. Such outstanding Existing Bonds may command a lower price than a comparable issue of securities with greater market liquidity. Even if a market for each Series of the Existing Bonds remains in existence, there may be a negative impact on the price of each Series of the remaining Existing Bonds resulting from current interest levels, the market for similar securities, the performance of the Company as a whole and other factors. A reduced market value may also make the trading price of each Series of the remaining Existing Bonds more volatile. As a result, the market price for each Series of the Existing Bonds that remain outstanding after the completion of the Tender Offer may be adversely affected by the Tender Offer. None of the Company, the Dealer Managers, the Tender Agent*

*and the Information Agent has any duty to make a market in the Existing Bonds that remain outstanding. In addition, the Company may decide to purchase Existing Bonds pursuant to further tender offers or otherwise after the completion of the Tender Offer which may have an additional impact on the liquidity, value and volatility of each Series of the Existing Bonds remaining outstanding after such operations.*

*Each of the Dealer Managers and their respective subsidiaries and affiliates is involved in a wide range of commercial banking, investment banking and other activities out of which conflicting interests or duties may arise. The Dealer Managers and any of their subsidiaries and affiliates, in connection with their other business activities, may possess or acquire material information about the Existing Bonds. Such activities and conflicts may include, without limitation, the exercise of voting power, the purchase and sale of securities, the provision of financial advisory services and the exercise of creditor rights. None of the Dealer Managers or any of their subsidiaries and affiliates have any obligation to disclose any such information about the Existing Bonds or the Company. The Dealer Managers and any of their subsidiaries and affiliates and their officers and directors may engage in any such activities without regard to the Existing Bonds or the effect that such activities may directly or indirectly have on any of the Existing Bonds.*

*Qualifying Holders are solely responsible for complying with all of the procedures of the Tender Offer set out in the Tender Offer Memorandum. None of the Company, the Dealer Managers, the Tender Agent and/or the Information Agent assumes any responsibility for the information of Qualifying Holders relating to potential irregularities that may occur with respect to their offer to tender their Existing Bonds for purchase pursuant to the Tender Offer.*
